My grandma's recipe

Dear Turkish students!

Your recipes are very interesting.

I know only Cigarette Borek, Spinach cake, Cake from lady finger cookies, Baked pasta with ground beef, Chocolate mousse, Baklava, Creamy chicken soup, Apple cookies (but we make them larger and longer in the Czech Republic)) and my favourite Grape leaves with rice. I know them from my trips to Balkan Peninsula.

Tomatoes salad and Kuyu Kebab or Mushroom Kebab look very tasty, also various cookies with chocolate chips, chopped pecans or walnuts, or with hazelnuts/almonds, cecil cheese, rolls with various fruit and pudding with dried and fresh fruit.

Spinach omelet, sweet or yellow potatoe with sweet corn look very

Dear Portuguese students,

I like sweet dishes, I can appreciate: Lemon mouse, Crepes, Wafer cake, Aletria, Creamy sweet rice (my mum also prepares it) "mñam" but I know that Lamb in the oven, Roasted goat, Kid and seafood (octopus and cod with bread, potatoes or rice) is healthier.

I do not know special combinations of foods in dishes Codizo a Portuguesa, Rancho, Portuguese stew wit pig ears (that liked my grandma), Feijoada, Duck rice, Bacalhau a Brás, Giblets rice and recipes by Tania with cigala agulha and Ana Gomes Grandma's recipes. It is necessary I will try to prepare it.
